

## Focus On: Wholesale Distributors LOSS CONTROL WEBINAR

### **Motor Vehicle Accidents Hurt!**

An industry wide leading cause of loss stems from motor vehicles operated by wholesale distributor businesses.

Learn how to prevent these accidents, resulting in a lower cost of doing business. This may save you more in premium dollars and reduce downtime which could

decrease delivery delays, employee injuries, and more. You will also learn about other top hazards in your wholesale distribution business and how to prevent costly losses in the following five areas.

- Motor Vehicle Accidents
- Slips, Trips and Falls
- Lifting
- Fires
- Theft
